

REVIVE REDO or NEW SUPPLY LIST

INSTRUCTOR: Stephanie Lovallo

RECOMMENDED SUPPLY LIST: A final supply list for this class will be determined at our first meeting, based on each Artist's individual need to complete or revive or redo a painting. When starting out new, canvas will be the preferred surface to create on. Buying a 12 x 16 package of five or more canvases is budget friendly. Bring an assortment of acrylic brushes, primary colors and secondary colors of acrylic paint, along with turquoise and pink, silver and gold metallic, and a 16 oz white.

You will need an apron or old shirt for a cover up and paper towels or an old towel.
