

Recommended supply list for
PHOTOSHOP FOR PHOTOGRAPHERS with Aric Attas

- Laptop computer
- Notebook for class notes
- Access to Adobe Creative Cloud, which includes Photoshop
- Access to Adobe Bridge

For Adobe Creative Cloud:

Adobe offers the Photography Plan for \$9.99/month, which includes both Photoshop and Lightroom. Only Photoshop will be used in this class.

- **How to Purchase Adobe Photoshop under the Photography Plan for \$9.99/month:**
 1. [Click here for Adobe Photoshop.](#)
 2. Select Buy Now and choose the Photography Plan for \$9.99/month.
 3. Download Photoshop after completing the purchase.

For Adobe Bridge:

Adobe Bridge is a free download.

- **How to Obtain Adobe Bridge:**
 1. [Click here for Adobe Bridge.](#)
 2. Download the app after accessing the link.

Important Notes:

- The instructor will guide students through the installation and setup of both Photoshop and Bridge on the first day of class.
- A limited number of cameras and lenses are available for checkout from the Education Department during the winter term. To ensure availability, camera equipment must be reserved in advance.
